SCHOOL MAGAZINE

2024 - 25

Message of the correspondent :

The School is a place where children are encouraged to say **"I see it, I get it, I can do it"**.

We are one of the largest premier educational institutions with a vision to address the dreams and aspirations of students and lead them to achieve by bringing out the innate potential in them and excel in all spheres.

Our philosophy of education is to inspire the children, provide qualitative learning experience and transform them into achievers and citizens of tomorrow's world. We try to understand and work with each child, and we firmly believe that it is our responsibility to enable the child in our care to develop as a whole.

Swami Vivekananda said **"You have to grow from the inside out. None can teach you, none can make you spiritual. There is no other teacher but your own soul"**. Even we impart the education to match the advancement in technology and globalization we march our children ahead with alchemy's spirit of moral values and principles. Fortunately, we have committed and dedicated teachers and also caring and cooperative parents who blend consistently to create a child centric school.

This edition of the school magazine **BEACON** showcase our student's imagination and gives life to their thoughts. I congratulate the whole editorial team for their dedication and hard work for bring up this magazine.

Ms. Shanthi Thangavelu
Correspondent,
alchemy public school.

Principal's Message:

Dear Students, Parents, and Faculty,

It is with great pleasure and pride that I extend my warmest welcome to each member of our school community. At alchemy, we are dedicated to nurturing not only academic excellence but also fostering values that shape strong, compassionate individuals poised to make a positive impact in our world.

Our ethos revolves around three core principles: Excellence, Integrity, and Respect. Excellence: We believe in pushing the boundaries of knowledge and skills, encouraging our students to strive for their personal best in all endeavours. Whether in academics, sports, arts, or community service, we uphold a standard of excellence that prepares our students for challenges they will face in their future careers and lives. Integrity:

We emphasize the importance of honesty, accountability, and ethical behaviour in all aspects of school life. Upholding integrity builds trust within our community and ensures that each student develops a strong moral compass to guide them through life's decisions. Respect: Respect for oneself and others is fundamental to creating a harmonious learning environment. We celebrate diversity, encourage open mindedness, and promote inclusivity and cast meaningful connections with their peers.

I invite each of you to join us in this journey of growth, discovery, and achievement. Together, let us uphold our values and work towards realizing the full potential of every student at alchemy.

With regards

Dr. K.R.Vijayalakshmi

Principal
